5k Route Selection & Promotion

Please select your (approximately) 5k route no later than June 5th 2026. Once selected please email katie@maternalhealthcareint.org with the details of the “start time” and location for your community fun run.

We encourage you to promote the fun run within your local community. There are no bibs, medals, or awards for this decentralized community based fun run. Simply get together with a group of people to enjoy a run, or walk and to support the work of Maternal Healthcare International in rural Haiti.

All participants must register using the QR code below and remind them to include their t-shirt size and their shipping address.

We will send you a packet of information about Maternal Healthcare International and the work we do here in rural Haiti and encourage you to distribute the informational cards to all participants.
